REMARKS

The present reply is responsive to the Notice of Allowability dated January 26, 2005.

As indicated above, applicants respectfully request that a new first paragraph be added to the Specification to identify the instant case as a continuation of the aforementioned international application. Furthermore, while the Office Action dated June 4, 2004 acknowledged that certified copies of the priority documents were received, the Notice of Allowability did not acknowledge same. Therefore, applicants respectfully request that a Supplemental Notice of Allowability be issued acknowledging the certified priority documents.

Dated: February 23, 2005

Respectfully submitted,
